

MARITIME & CORPORATE TRAVEL

ABOUT US

Eurasia Travel Network (ETN), founded in 1994, aims to meet its clients' marine and corporate travel needs at the most competitive rates.

With IATA approved offices located in British Isles, Cyprus, India, Philippines, and an affiliate office in Shanghai, we are truly global and able to offer a genuine 24-hour travel and ticketing service to our customers.

Through our IATA offices we are able to issue tickets promptly, while our agreements with first-class major carriers allow us to stay highly cost-competitive.

Today we are responsible for managing the travel arrangements of an increasing number of ship management companies, ship owners, offshore service organisations and other non-marine corporations, who enjoy the benefits of our personal service and expertise in securing the most competitive fares on the most suitable flights.

Why Eurasia?

- A global service provider with a strong network of travel partners – access to more than 80,000 hotels and 92 airlines globally.
- Transparent pricing with full visibility and no hidden or additional charges. Electronic invoicing and tailor-made management reporting.
- Serves more than 20,000 seafarers on over 700 vessels worldwide.
- Proactive offering of cost effective travel solutions with access to worldwide marine and offshore fares from our global network locations.
- Utilising available technologies to maximise the value of the client's travel budget.
- Operates a comprehensive & responsive 24/7 emergency support that can deal with all possible travel emergency related issues; clients can rest assured their employees are taken care of while on the road and duty of care requirements are met.
